

To the Board: (10/29/04)

Annual Meeting Update:

So far we have received 12 Yes votes to increase the dues, 18 No votes and some comments. One homeowner said they are ok with an increase larger than 5% but not a 50% increase. Another homeowner commented on helping out more if needed. His name is John Bosacker.

I have only received 5 proxies that I can use for quorum. Only one of them had a name written in on it and that was for Lisa Hokennen. The rest were blank. We will need 22 proxies or people in person to make quorum. So if you see/talk to your neighbors sometime in the next week you may want to mention that they can fax me their proxies.
